Application and consent to the processing of personal data

I would like to apply to the Valga County Vocational Training Centre Logistician level 5 vocational curriculum and give permission to submit an application in the Admission Information System and to make inquiries in state registers (Population Register, Examination Information System, Estonian Education Information System).

I am aware and allow that Valga County Vocational Training Centre will process my personal data, which are necessary for the organization of studies and the better functioning of school life.

I am aware and allow that my educational documents will be forwarded to the Estonian ENIC/NARIC for academic recognition.

I confirm that I have no obstacles to daily participation in studies in the form of contact lessons in the school environment Loode 3, Valga city, Valga county, Estonia.

I confirm that I have sufficient financial resources to cover my basic needs (living, movement and food) and to live in a dormitory, to cover the expenses during my studies.

Students from third countries must have a visa valid for min. 6 months until 01.02.2024 as confirmation of coming to study by 20.08.2023.
